

Rex Lawhorn Finances
(provided by email Aug. 3)

The dollar figures are not exact, so please refer to my tax returns for the actual numbers.

2016, \$40,000

2017, \$48,000

Copies will be provided tomorrow, as agreed.

I hold no investment assets.

I recently purchased 20 acres of unimproved property just outside of Leflore, OK. I intend to build there to retire.

I have a mortgage on my current home in shared name with family members. I have a property mortgage in my name only, relating to the above purchase. I have a credit card with more than \$10,000 outstanding and I still owe approximately \$15,000 on my personal vehicle.

The only position that might be relevant is my title of State Director for Our America Initiative. I don't believe I have titles or positions of authority in any other NGOs.

Thank you, and please accept my apologies for the late game.

Rex
